

Rays Florist are offering local businesses a streamlined flower ordering service, designed for the busy office environment. We will deliver at your request any floral gift or arrangement that you require for your staff or customers (i.e congratulations, well wishing or condolence) as well as for company functions or events.

As with any business we are offering an incentive to use this service.

Currently the two options we are offering for businesses are;

#### Option A

We will supply your company with a 10% discount code which can be redeemed whilst ordering any of our hundreds of floral arrangements available online.

#### Option B

Your business can open a 30 day credit account with us, with every 10th floral arrangement ordered in a 12 month period provided free of charge.
